SAM & Eggs Fundraising Breakfast

SAM & Eggs is an annual fundraising breakfast for Samaritan Ministries and serves as the kick-off for our fall “season of giving.” Our goal is \$225,000. We truly appreciate your willingness to invite a group of people to learn more about our Ministry.

Share your enthusiasm for Samaritan Ministries. Be willing to tell your friends and co-workers about your experience with the Ministry and why you think it is important. A personal request—in person or over the phone—is the best way to convince people to come.

Recruit 8 people (including yourself) to attend the breakfast. Let them know that this is a fundraising breakfast and that donation cards will be distributed at the event. While we focus on our Good Samaritan Society gifts (\$1,000 and above) at this event, all levels of support are welcome and appreciated:

Stimp Hawkins Society: \$5,000 or more

Good Samaritan Society:

Gold Level \$2,500 - 4,999

Burgundy Level \$1,000 - 2,499

Friends of Samaritan:

Patrons \$500 - 999

Sustainers \$250 - 499

Benefactors \$100 - 249

Supporters Up to \$99

Communicate with Samaritan Ministries about who is coming to the event. Send names and contact information of confirmed guests to Samaritan by September 9. Samaritan will send an email reminder a few weeks before the breakfast and will also be following up with people after the event. Contact information such as emails, phone numbers, and addresses is very helpful. We’ll send you a form to complete.

Reconfirm your guests’ attendance the week before and let us know any changes. We want to provide personalized nametags and assign tables prior to the event.

Attend the SAM & Eggs Annual Fundraising Breakfast. Arrive about 7:15 a.m. to help greet your guests. Be willing to make your own financial commitment to Samaritan at the breakfast.
